Best Spirits of 2010

We are proud to announce that Old Tom Gin has been selected as the Spirit of the Year in the Gin category for Wine and Spirits 2011 buyer's guide issue.

RANSOM OLD TOM GIN

"Feels like a whiskey. Barrel-aged and based on malted barley and corn, Ransom almost feels like a whiskey, so don't get stingy with the bitters. Try it in a Tuxedo cocktail."
